REVIVAL CHAIR

Vintage chairs bring a retro style to any space. A special chair is usually related to a very specific environment. Give your space the dream chair it deserves.

Chair with armrests, swivel seat, tilting backwards depending on the weight of the user and adjustable in height. These features are combined with a generous upholstery volume to ensure comfort. Semi-leather or fabric upholstery.

Fabric upholstery is available in various colours, making it easy to find the ideal chair for any type of workplace or home office.

Customise and adapt your chair to suit your space, using the different colours available.

Seat, backrest and armrests
Polyurethane foam padding; fabric or faux leather fabric. Bibo with customisable colour.

Base
Star-shaped base with 5 rods, in chiselled steel sheet, epoxy painted.

Seat mechanism
Seat height adjustment by means of gas shock absorber gas shock absorber. Can be tilted together with the backrest, depending on the weight.

Frame
22 mm steel tube with epoxy paint finish.
